Each year the College presents awards to recognize dentists, certified dental assistants and members of the public who have contributed to the profession of dentistry in BC, to excellence in the practice of dentistry, and/or to the College of Dental Surgeons of BC (CDSBC).

Award of Merit

This award recognizes significant contributions, beyond basic volunteer participation, that have had an impact on the practice or the profession of dentistry through involvement with CDSBC. It may be granted to non-members of CDSBC.

Leona Ashcroft, CIP

Leona Ashcroft has volunteered her time generously to the College since 2003.

During her seven-year tenure as a public representative on the CDSBC Board, Leona sat on a variety of committees, including the Discipline, Ethics and Practice Standards Committees.

Leona has been involved with the insurance industry for more than 35 years. She has managed ICBC offices throughout B.C., providing leadership to claim managers and staff. She also developed and implemented Bridging the Gap: a project to enhance customer service to Abbotsford's Indo-Canadian community.

Leona, a Chartered Insurance Professional (CIP), currently operates her own insurance adjusting business – Ashcroft Insurance Adjusters – in Nelson, serving clients in the East and West Kootenays.

Victor Bowman

Victor Bowman has served CDSBC in many capacities.

He was a member of the Board for eight years, and is currently a member of the Discipline Committee. Victor has also belonged to the Executive, Professional Conduct and Registration Committees, as well as the CDA Licensure Subcommittee.

Victor has a background in management, labour relations and leadership development. He is President of Integra Directions Incorporated: a company that helps rural clients with interests in the Central Interior develop long-range resource planning.

Victor is also a session instructor in Marketing at the College of New Caledonia.

Paul Durose, BA, MA (Educational Administration)

Paul Durose has shared his enthusiasm and expertise with CDSBC since 2003.

He was a public representative on the Board for seven years, and continues to serve on the Quality Assurance, Ethics and Discipline Committees.

In 2001, Paul retired as the Deputy Superintendent and the Secretary-Treasurer for School District 23 (Central Okanagan) following a 33-year career.

During his 23 years in senior administration, Paul provided leadership in a range of areas including instruction, human resources/labour relations, capital projects, finance, operations and board governance.

Since retiring, Paul has chaired the Property Assessment Review Panel for Kelowna; provided consulting services to an architectural firm in the area of project development; and been a contracted enrolment auditor for the BC Ministry of Education. He currently owns and operates three home businesses while serving as a director on the board of the third-largest credit union in BC.

Cathy Larson, CDA, PID, Cert. Online Teaching

Cathy Larson is a dedicated CDSBC volunteer and active educator.

She has made a positive contribution to the College through her work on revising the CDSBC Bylaws for Certified Dental Assistants (CDAs), and worked diligently for four years as an examiner for the College's CDA Examination Committee.

Since receiving her CDA certification, Cathy has completed her prosthodontic and orthodontic modules, and has participated in the College's CDA Prosthodontic Module Working Group.

As an educator, Cathy is involved with mentorship, education and upgrading for individuals who need specific skills to complete their National Dental Assisting Examining Board (NDAEB) clinical and CDSBC certification requirements. She is working with the CDA Distance program at Vancouver Community College (VCC) to offer the program online, making it more accessible to individuals province-wide.

Cathy is an instructor for the Certified Dental Assisting and Dental Reception Coordinator Programs at VCC, and an instructor for the Prosthodontic Module at the University of the Fraser Valley.

Robert McDougall, BSc, DMD

Robert (Bob) McDougall has generously volunteered his time to the dental community and the public.

While serving five years on the CDSBC Board as the Vancouver Island representative, Bob has been a member of the Ethics, Audit and CDA Advisory Committees.

Bob continues to work on task forces with the Victoria and District Dental Society after having served in the capacity of secretary, scientific director, vice-president and president.

With a Diploma in Dental Technology, Bob started in dentistry as a full-service, in-house dental technician in Victoria. He went on to receive his BSc (UVic) and DMD (UBC), and has worked as a general practitioner in Victoria ever since.

Bob has been nominated by peers and received international fellowships with the Pierre Fauchard Academy and the American College of Dentists.

Bob has also provided urgent dental care to people in need while participating in the BCDA's Community Dental Days.

Mel Sawyer, DMD

Mel Sawyer's involvement with CDSBC goes back 30 years.

He is a former chair of the Ethics Committee, former vice-chair of the Professional Review Committee, and was a past inspector for the College.

Mel is also a former Council member (now known as the Board).

In his early years of service, Mel was a key contact dentist for the College's Dialogue in Dentistry Program. He is also a past president of the Vancouver and District Dental Society.

Mel is currently a member of CDSBC's working group for the development of Guidelines for Infection Control. He and other dentists are working with representatives from the College of Dental Hygienists to create revised guidelines for general use in the dental office.

A dedicated researcher, Mel was awarded a grant from WorkSafeBC and Workers' Compensation Board of Nova Scotia to study needle-stick injuries in dentistry, and has a paper currently pending publication.

As of January 1, 2011, Mel was appointed Associate Dean for Clinical Affairs at the University of Manitoba, Faculty of Dentistry.

Distinguished Service Award

This award recognizes outstanding and broad contributions to the profession in B.C. and to CDSBC over a sustained period of time. It may be awarded to non-members of CDSBC.

Susan Chow, DMD

Susan Chow has an impressive record of service to dentistry and the community.

She was a member of the CDSBC Board for six years, and has participated in the Review Committee, Professional Conduct Committee, Task Force on Insurance Payments and Dental Profession Advisory Program.

A well-known leader in the dental community, Susan is past president of the Chinese Canadian Dental Society, former executive director of the Association of Women Dentists, and past president of the Vancouver and District Dental Society.

Susan sat on the Membership and Communications Committee of the Canadian Dental Association, and was a board member for the Association of Chinese Canadian Professionals. She was also a creator, organizer and paddler of a Dental Dragon Boat team, and volunteered for the 2010 Winter Olympic Games.

Susan is a fellow of the American College of Dentists; the International College of Dentists; the Pierre Fauchard Academy; and the Academy of Dentistry International.

In 2010, the College recognized Susan's efforts with a CDSBC Special Group Award for her work on the Sirona Learning Centre: a state-of-the-art teaching and learning facility. Susan practises dentistry in Vancouver.

Michael MacEntee, LDS(I) [Dublin], Certified Specialist (Prosthodontics)

Michael MacEntee has been instrumental in providing dental research, education and care to benefit B.C.'s aging population.

He has also been an active CDSBC volunteer. Michael served on the CDSBC Board for five years, and in that capacity acted as a liaison between the College and the UBC Faculty of Dentistry.

During his academic career, Michael has attended to the oral needs of elders as a prosthodontist, teacher and researcher. His research addresses oral health,

prosthodontics, and quality of life with advancing age. He has published extensively on the measurement, distribution, impact and management of oral disorders in old age, and is an editor for several international journals relating to prosthodontics and gerodontology.

Michael has participated in many CDSBC committees, most notably: the Health Hazards and Health Promotions Committee, and the Dental Technician/Denturist Advisory Committee.

He is a past president of the International College of Prosthodontists; the Association of Prosthodontists of Canada; the BC Society of Prosthodontists; and the Royal College of Dentists of Canada. Michael was Chair of the Division of Prosthodontics at UBC from 1981 until 2004, and is a practising prosthodontist in Vancouver.

Ashok Varma, BSc, DMD

Ashok (Ash) Varma has served CDSBC tirelessly for more than 20 years.

He is a past president and former vice president of the College, and sat on the CDSBC Board for 10 years. During his presidency, Ash led the College through the transition to the *Health Professions Act*.

Ash has also sat on numerous committees. He currently Vice-Chairs the Quality Assurance Committee and serves on the Continuing Education Subcommittee.

Ash hails from Powell River and follows in the footsteps of his father, Dr. Virendra Varma. They shared a dental practice until his father's retirement in 2002. In fact, it was Ash's father who established the original Powell River on-call service for after-hours dental emergencies — a program Ash has continued to run for the past 21 years.

In addition to serving on the joint College/BCDA Task Force for Dental Emergencies, Ash served CDSBC for four years as Chair of the Ethics Committee. He also chaired the HPA Bylaws Working Group, and sub-chaired the Peer Review Committee.

Ash is proud to have been granted four fellowships: the Pierre Fauchard Academy; the American College of Dentists; the International College of Dentists; and the Academy of Dentistry International. He is also on the Executive of the Canadian Academy of Restorative Dentistry and Prosthodontics, and is involved with the Powell River Hospital Foundation.

A member and past president of the Powell River Rotary Club, Ash was granted a Paul Harris Fellowship for service to the Rotary. Ash practises dentistry in Powell River.
