CORRECTION: Revised Mandatory CE Guidelines

Please note there was an error in the updated Mandatory CE Guidelines distributed this week with The Sentinel newsletter. CE credits in the “Dental Teaching Programs” category should read “Hour-for-hour credit to a maximum of 20 credits per calendar year”, and not “per cycle”. We apologize for any inconvenience.

A corrected version of the Guidelines is available on our website at www.cdsbc.org/pdf/Mandatory_CE_Guidelines_May_18_2006.pdf or you can obtain a printed copy by contacting the College (see below).
