## Inspire. Give Back. Be Involved...Volunteer!

People volunteer for a variety of reasons. If you have ever thought of becoming involved in organized dentistry, you may want to consider joining the volunteer network of the College of Dental Surgeons. Whether it is sitting on a committee, taking part in a focus group or reviewing documents, there are many different roles in which dentists, certified dental assistants and members of the public can become involved.

When selecting volunteers, the College considers expertise, experience and demographic representation to suit each position or special project. A Volunteer Application Form can be downloaded from our website at [www.cdsbc.org](http://www.cdsbc.org).
