Tough Topics CE Video Available Online – Free

Earn CE by watching the College's new video [Tough Topics in Dentistry](#) on the CDSBC website.

Filmed live at the 2009 Pacific Dental Conference, this video guides practitioners in what to do about patients living with domestic violence, teens with substance abuse problems, professional boundary issues, and requirements for informed consent and confidentiality.

Three CE credits will be awarded to dentists and CDAs following successful completion of the [post-test](#).

CE Cycle End-Date Reminder

If your CE cycle ends December 31, 2010, make sure your credit submissions for courses taken during your three-year cycle have been received by CDSBC for consideration prior to year end. To review your CE transcript or to download CE submission forms, please visit www.cdsbc.org.

Criminal Record Check from A to P

All current and new registrants of certain professional regulatory bodies are required to undergo a criminal record check every five years. This year it will involve dentists and CDAs whose surnames begin with the letters A to P and who have not been checked in the previous four years. These dentists and CDAs will receive a criminal record check package from CDSBC this fall.

Sept. 18 Board Meeting

The next public CDSBC Board meeting will be held at 9:00 am on Saturday, September 18, 2010 at the Sutton Place Hotel in Vancouver (Second Floor, Chateau Belair). If you plan to attend an upcoming College Board meeting as an observer, RSVP by email to Nancy Crosby at ncrosby@cdsbc.org.
