

PART 6 – REGISTRATION

Interpretation

6.01 In this Part:

“equivalent general dentistry program” means, for the purpose of an application for registration, a program in general dentistry at a post-secondary educational institution that is, in the opinion of the registration committee, equivalent to a listed general dentistry program;

“equivalent specialty program” means, for the purpose of an application for registration or for certification as a certified specialist, a program in a recognized specialty at a post-secondary educational institution that is, in the opinion of the registration committee, equivalent to a listed specialty program;

“registration committee” has the same meaning as in section 20(6) of the Act, but does not include the registrar

- (a) in section 6.05(8) or 6.19(3), or
- (b) in respect of an applicant who is reinstated as a full registrant under section 6.19(3), in section 6.19(4).

Classes of registrants

6.02 The following classes of registrants are established:

- (a) full registration;
- (b) restricted to specialty registration;
- (c) academic registration;
- (d) academic (grandparented) registration;
- (e) limited (education, research and volunteer) registration;
- (f) limited (armed services or government) registration;
- (g) limited (post-graduate) registration;
- (h) limited (student practitioner) registration;
- (i) temporary registration;
- (j) non-practising registration.

General registration requirements

6.03 (1) Subject to subsection (2) and (3), an applicant for registration in any class of registrants must deliver the following to the registrar:

Bylaws of the College of Dental Surgeons of British Columbia

- (a) evidence satisfactory to the registration committee that the applicant is of good character;
 - (b) any applicable application and registration fees specified in Schedule F;
 - (c) any other outstanding fine, fee, debt or levy owed to the college;
 - (d) a statutory declaration in Form 2;
 - (e) a signed criminal record check authorization in Form 3, accompanied by any required payment;
 - (f) a letter in a form satisfactory to the registration committee, dated within one month of the date of the application, from each other competent regulatory or licensing authority in every jurisdiction where the applicant is or was, at any time, registered or licensed for the practice of dentistry or another health profession,
 - (i) certifying that the applicant's entitlement to practise dentistry or the other health profession has not been cancelled, suspended, limited, restricted, or subject to conditions in the applicable jurisdiction at any time, or specifying particulars of any such cancellation, suspension, limitation, restriction, or conditions,
 - (ii) certifying that there is no investigation, review, or other proceeding underway in the applicable jurisdiction that could result in the applicant's entitlement to practise dentistry or the other health profession being cancelled, suspended, limited, restricted, or subjected to conditions, or specifying particulars of any such investigation, review, or other proceeding, and
 - (iii) certifying that the applicant's entitlement to practise dentistry or the other health profession has not been voluntarily relinquished in the applicable jurisdiction with the effect of preventing the commencement or completion of an investigation, review or other proceeding that could have resulted in the applicant's entitlement to practise dentistry or the other health profession in the applicable jurisdiction being cancelled, suspended, limited, restricted, or made subject to conditions, or specifying particulars of any such relinquishment;
 - (g) evidence satisfactory to the registration committee of compliance with the requirement for liability insurance coverage under section 13.02;
 - (h) evidence satisfactory to the registration committee of the applicant's English language proficiency.
- (2) Subsection (1) does not apply to persons entitled to academic (grandparented) registration under section 6.11(1), or applicants for non-practising registration.
- (3) Subsection (1)(e) and (f) does not apply to applicants for temporary registration.

Bylaws of the College of Dental Surgeons of British Columbia

Full registration

- 6.04** (1) For the purposes of section 20(2) of the Act, the requirements for full registration are
- (a) a degree or equivalent qualification from a listed general dentistry program or equivalent general dentistry program,
 - (b) an NDEB certificate, and
 - (c) receipt by the registrar of
 - (i) a completed application for full registration in Form 4,
 - (ii) evidence satisfactory to the registration committee of the applicant's degree or qualification referred to in paragraph (a), and that the applicant is the person named in it,
 - (iii) evidence satisfactory to the registration committee of the applicant's NDEB certificate, and that the applicant is the person named in it,
 - (iv) if the applicant's NDEB certificate was issued more than three years before the date of their application, evidence satisfactory to the registration committee that the applicant has met the requirements of section 6.07, and
 - (v) the items required under section 6.03(1).
- (2) Despite subsection (1)(a), (b) and (c)(ii) to (iv), an applicant may be granted full registration if the applicant
- (a) holds valid and non-restricted registration or licensure as the equivalent of a full registrant in another Canadian jurisdiction, and provides evidence satisfactory to the registration committee of the applicant's registration or licensure, and that the applicant is the person named in it,
 - (b) provides evidence satisfactory to the registration committee that the applicant meets any applicable continuing education and continuous practice requirements established by the competent regulatory or licensing authority in the jurisdiction referred to in paragraph (a), and
 - (c) meets the requirements in subsection (1)(c)(i) and (v).

Certification of full registrants as certified specialists

- 6.05** (1) The college recognizes the following fields within the practice of dentistry as specialties:
- (a) oral and maxillofacial surgery;
 - (b) orthodontics and dentofacial orthopedics;
 - (c) endodontics;

Bylaws of the College of Dental Surgeons of British Columbia

- (d) pediatric dentistry;
 - (e) periodontics;
 - (f) dental public health;
 - (g) prosthodontics;
 - (h) oral and maxillofacial radiology;
 - (i) oral medicine;
 - (j) oral pathology;
 - (k) oral medicine and pathology (combined).
- (2) The registration committee must grant certification as a certified specialist in a specialty referred to in subsection (1) to a full registrant who
- (a) applies to the college for certification in the applicable specialty, and
 - (b) satisfies the registration committee that the applicant meets the requirements for certification as a certified specialist under subsection (3), (4), (5), (6) or (7).
- (3) A full registrant is entitled to certification as a certified specialist in a specialty referred to in subsection (1) if they meet the following requirements:
- (a) a degree or equivalent qualification from a listed specialty program or equivalent specialty program in the applicable specialty;
 - (b) successful completion of the NDSE in the applicable specialty;
 - (c) receipt by the registrar of
 - (i) a completed application for certification as a certified specialist in the applicable specialty in Form 5,
 - (ii) any applicable application and specialty certification fees specified in Schedule F,
 - (iii) any other outstanding fine, fee, debt or levy owed to the college,
 - (iv) evidence satisfactory to the registration committee of the applicant's degree or qualification referred to in paragraph (a),
 - (v) evidence satisfactory to the registration committee of the applicant's successful completion of the NDSE referred to in paragraph (b), and a signed authorization for the Royal College of Dentists of Canada to release information about the examinations taken by the applicant in the applicable specialty,
 - (vi) a statutory declaration in Form 2, and
 - (vii) a letter in a form satisfactory to the registration committee, dated within one month of the date of the application, from the competent regulatory or licensing authority in each other

Bylaws of the College of Dental Surgeons of British Columbia

jurisdiction where the applicant is or was, at any time, certified or otherwise recognized as a specialist in the applicable specialty,

- (A) certifying that the applicant's certification or recognition in, or entitlement to practise, the applicable specialty has not been cancelled or suspended in that other jurisdiction at any time, or specifying particulars of any such cancellation or suspension,
 - (B) certifying that there is no investigation, review, or other proceeding underway in that other jurisdiction that could result in the applicant's certification or recognition in, or entitlement to practise, the applicable specialty being cancelled or suspended, or specifying particulars of any such investigation, review, or other proceeding, and
 - (C) certifying that the applicant's entitlement to practise dentistry or the applicable specialty has not been voluntary relinquished in that other jurisdiction with the effect of preventing the commencement or completion of an investigation, review or other proceeding that could have resulted in the applicant's certification or recognition in, or entitlement to practise, the applicable specialty in that jurisdiction being cancelled or suspended, or specifying particulars of any such relinquishment.
- (4) Despite subsection (3)(b) and (c)(v), a full registrant who has not completed the NDSE may be granted certification as a certified specialist in a specialty referred to in subsection (1) if the applicant
- (a) successfully completed the BC Specialty Examination in the applicable specialty before March 1, 2001, and provides evidence satisfactory to the registration committee of the applicant's successful completion of that examination, and
 - (b) meets the requirements in subsection (3)(a) and (c), except subsection (3)(c)(v).
- (5) Despite subsection (3)(a) and (c)(iv), a full registrant who does not have a degree or equivalent qualification from a listed specialty program or equivalent specialty program may be granted certification as a certified specialist in a specialty referred to in subsection (1) if the applicant
- (a) holds a degree or equivalent qualification in the applicable specialty from a post-secondary educational institution, and provides evidence satisfactory to the registration committee of the applicant's degree or qualification, and that the applicant is the person named in it,
 - (b) provides evidence that the applicant has obtained a qualification satisfactory to the registration committee from the Faculty of Dentistry of

Bylaws of the College of Dental Surgeons of British Columbia

- the University of British Columbia, or from another post-secondary educational institution approved by the registration committee, certifying that the applicant's competency in the applicable specialty is equivalent to that of a graduate of a listed specialty program in the applicable specialty, and
- (c) meets the requirements in subsection (3)(b) and (c), except subsection (3)(c)(iv).
- (6) Despite subsection (3)(a), (b) and (c)(iv) and (v), a full registrant may be granted certification as a certified specialist in a specialty referred to in subsection (1) if the applicant
- (a) holds valid and non-restricted registration or licensure as the equivalent of a full registrant in another Canadian jurisdiction, and is certified or otherwise recognized in that jurisdiction as the equivalent of a certified specialist in the applicable specialty,
 - (b) provides evidence satisfactory to the registration committee of the applicant's registration or licensure, and the applicant's certification or other recognition, referred to in paragraph (a), and that the applicant is the person named in it, and
 - (c) meets the requirements in subsection (3)(c), except subsection (3)(c)(iv) and (v).
- (7) Despite any other requirement under subsection (3) to (6), a full registrant may be granted certification as a certified specialist in a specialty referred to in subsection (1) if they were, immediately before the designation date, certified by the College as a specialist in the applicable specialty under Article 7 of the College's Rules under the *Dentists Act*.
- (8) Despite subsections (2) to (7), the registration committee may refuse to grant certification to a full registrant as a certified specialist if the registration committee determines, after giving the applicant an opportunity to be heard, that
- (a) the applicant's certification or recognition in, or entitlement to practise, the applicable specialty has been cancelled or suspended at some time in British Columbia or in another jurisdiction,
 - (b) an investigation, review or other proceeding is underway in British Columbia or in another jurisdiction that could result in the applicant's certification or recognition in, or entitlement to practise, the applicable specialty being cancelled or suspended, or
 - (c) the applicant's entitlement to practise dentistry or the applicable specialty has been voluntarily relinquished in British Columbia or in another jurisdiction with the effect of preventing the commencement or completion of an investigation, review or other proceeding that could have resulted in the applicant's certification or recognition in, or entitlement to

Bylaws of the College of Dental Surgeons of British Columbia

practise, the applicable specialty in the applicable jurisdiction being cancelled or suspended.

Restricted to specialty registration

- 6.06** (1) For the purposes of section 20(2) of the Act, the requirements for restricted to specialty registration are
- (a) a degree or equivalent qualification in a recognized specialty from a listed specialty program or equivalent specialty program,
 - (b) successful completion of the NDSE in the applicable specialty, and
 - (c) receipt by the registrar of
 - (i) a completed application for restricted to specialty registration in the applicable specialty, in Form 6,
 - (ii) evidence satisfactory to the registration committee of the applicant's degree or qualification referred to in paragraph (a), and that the applicant is the person named in it,
 - (iii) evidence satisfactory to the registration committee of the applicant's successful completion of the NDSE referred to in paragraph (b), and a signed authorization for the Royal College of Dentists of Canada to release information about the examinations taken by the applicant in the applicable specialty,
 - (iv) if the applicant completed the NDSE more than three years before the date of their application, evidence satisfactory to the registration committee that the applicant has met the requirements of section 6.07, and
 - (v) the items required under section 6.03(1).
- (2) Despite subsection (1)(a) and (c)(ii), an applicant who does not have a degree or equivalent qualification from a listed specialty program or equivalent specialty program may be granted restricted to specialty registration in a recognized specialty if
- (a) the applicant holds a degree or equivalent qualification in the applicable specialty from a post-secondary educational institution, and provides evidence satisfactory to the registration committee of that degree or qualification, and that the applicant is the person named in it,
 - (b) at the time the applicant successfully completed the NDSE in the applicable specialty as required under subsection (1)(b), the applicant held or had been appointed to hold a full-time position as a full professor, associate professor, or assistant professor in the applicable specialty at the Faculty of Dentistry of the University of British Columbia, or at a faculty

Bylaws of the College of Dental Surgeons of British Columbia

- of another post-secondary educational institution approved by the registration committee,
- (c) the applicant provides evidence satisfactory to the registration committee of the applicant's appointment to a position referred to in paragraph (b), and, in the opinion of the registration committee, the appointment provides satisfactory evidence of the applicant's competency to practise as a restricted to specialty registration in the applicable specialty, and
 - (d) the applicant meets the requirements in subsection (1)(b) and (c)(i) and (iii) to (v).
- (3) Despite subsection (1)(a), (b) and (c)(ii) to (iv), an applicant may be granted restricted to specialty registration in a recognized specialty if the applicant
- (a) holds valid registration or licensure as the equivalent of a restricted to specialty registrant in the applicable specialty in another Canadian jurisdiction, that is not subject to any limitation, restriction, or condition, other than a usual limit, restriction or condition that ordinarily applies to the practice of dentistry by the equivalent of restricted to specialty registrants in that other jurisdiction,
 - (b) provides evidence satisfactory to the registration committee of the applicant's registration or licensure referred to in paragraph (a), and that the applicant is the person named in it,
 - (c) provides evidence satisfactory to the registration committee that the applicant meets any applicable continuing education and continuous practice requirements established by the competent regulatory or licensing authority in the jurisdiction referred to in paragraph (a), and
 - (d) meets the requirements in subsection (1)(c)(i) and (v).
- (4) A restricted to specialty registrant
- (a) is a certified specialist in the applicable specialty in respect of which they were granted restricted to specialty registration, and
 - (b) may only perform a restricted activity if it is included in the practice of the applicable specialty in which the registrant is certified, as determined in accordance with any applicable standards of practice.
- (5) A restricted to specialty registrant must not imply, suggest, or hold out that they are a full registrant or that they are qualified or entitled to practise as a full registrant.

Bylaws of the College of Dental Surgeons of British Columbia

Additional requirements for certain applicants for full registration and restricted to specialty registration

- 6.07** (1) In this section, “**credit hour**” has the same meaning as in Part 9.
- (2) An applicant for registration as a full registrant or a restricted to specialty registrant who is required under section 6.04(1)(c)(iv) or 6.06(1)(c)(iv) to meet the requirements of this section must, in addition to any other applicable requirement for registration, provide evidence satisfactory to the registration committee that, during the three-year period immediately preceding the date of their application:
- (a) the applicant
 - (i) engaged in the practice of dentistry in another jurisdiction for a minimum of 900 hours, in accordance with criteria established by the quality assurance committee, and
 - (ii) completed a minimum of 90 credit hours, or the equivalent through participation in continuing education courses, study clubs, or other equivalent activities approved by the competent authority in another jurisdiction, or
 - (b) the applicant has successfully completed an examination, course, other education, or competency assessment approved by the quality assurance committee for the purpose of satisfying the requirements of the college’s quality assurance program.

Use of titles reserved for certified specialists

- 6.08** (1) A certified specialist may use the title
- (a) “specialist”, “certified specialist”, “specialist in *[name of applicable specialty]*” or “certified specialist in *[name of applicable specialty]*”, if they are a full registrant,
 - (b) “specialist, restricted to specialty”, “certified specialist, restricted to specialty”, “specialist, restricted to *[name of applicable specialty]*” or “certified specialist, restricted to *[name of applicable specialty]*”, if they are a restricted to specialty registrant,

- (2) Except as provided in subsection (1) or section 6.10, a registrant must not
- (a) use any title referred to in subsection (1), or otherwise imply, suggest, or hold out that they are a specialist or certified specialist in any field of dentistry, unless the registrant is a certified specialist, or
 - (b) imply, suggest, or hold out that they are a specialist or certified specialist in a particular specialty, unless the registrant is a certified specialist in that specialty.

Academic registration

- 6.09** (1) For the purposes of section 20(2) of the Act, the requirements for academic registration are
- (a) a degree or equivalent qualification in dentistry from a post-secondary educational institution, and
 - (b) receipt by the registrar of
 - (i) a completed application for academic registration in Form 7,
 - (ii) evidence satisfactory to the registration committee of the applicant’s degree or qualification referred to in paragraph (a), and that the applicant is the person named in it,
 - (iii) evidence satisfactory to the registration committee that the applicant holds or has been appointed to hold a full-time position as a full professor, associate professor, or assistant professor of dentistry at the Faculty of Dentistry of the University of British Columbia, or at a faculty of another post-secondary educational institution approved by the registration committee, and, in the opinion of the registration committee, the appointment provides satisfactory evidence of the applicant’s competency to practise as an academic registrant, and
 - (iv) the items required under section 6.03(1).
- (2) An academic registrant
- (a) may only practise dentistry
 - (i) during the term of the registrant’s appointment to a position referred to in subsection (1)(b)(iii), and

Bylaws of the College of Dental Surgeons of British Columbia

- (ii) in a setting operated by or affiliated with the University of British Columbia or other post-secondary educational institution referred to in subsection (1)(b)(iii),
 - (b) must not practise dentistry on a fee for service basis, and
 - (c) must immediately notify the registrar if the registrant ceases to be appointed to a position referred to in subsection (1)(b)(iii).
- (3) An academic registrant ceases to be registered upon the termination of the registrant's appointment to a position referred to in subsection (1)(b)(iii).

Academic specialists

6.10 An academic registrant may use the title “academic specialist” or “academic specialist in [name of applicable specialty]” if the academic registrant holds a post-graduate degree or equivalent qualification in a recognized specialty.

Academic (grandparented) registration

- 6.11** (1) For the purposes of section 20(2) of the Act, a person is entitled to academic (grandparented) registration if the person
- (a) was registered as an academic member of the college under section 26(2) of the *Dentists Act* immediately before the designation date, and
 - (b) has continued to hold academic (grandparented) registration without interruption since the designation date.
- (2) Except as provided in subsection (3), an academic (grandparented) registrant
- (a) may only practise dentistry

 - (c) receipt by the registrar of
 - (i) a completed application for limited (education, research and volunteer) registration in Form 8,
 - (ii) evidence satisfactory to the registration committee of the applicant's degree or qualification referred to in paragraph (a), and that the applicant is the person named in it,
 - (iii) evidence satisfactory to the registration committee of the applicant's NDEB certificate, and that the applicant is the person named in it,
 - (iv) evidence satisfactory to the registration committee that the applicant is applying for limited (education, research and volunteer) registration solely for
 - (A) the purpose of presenting a dental course,
 - (B) the purpose of conducting or engaging in a clinical presentation, study club, research program, or dental teaching program at or under the sponsorship of the Faculty of Dentistry of the University of British Columbia, another post-secondary educational institution, or a dental or other group or organization approved by the registration committee,
 - (C) another teaching or research-related purpose approved by the registration committee, or
 - (D) the purpose of carrying out volunteer activities approved by the registration committee, and
 - (v) the items required under section 6.03(1).

Bylaws of the College of Dental Surgeons of British Columbia

- (2) Despite subsection (1)(a), (b) and (c)(ii) and (iii), an applicant may be granted limited (education, research and volunteer) registration if the applicant
 - (a) holds or is eligible to hold
 - (i) valid and non-restricted registration or licensure as the equivalent of a full registrant in another Canadian jurisdiction, or
 - (ii) valid registration or licensure as the equivalent of a restricted to specialty registrant in another Canadian jurisdiction, that is not subject to any limitation, restriction, or condition, other than a usual limit, restriction or condition that ordinarily applies to the practice of dentistry by the equivalent of restricted to specialty registrants in that other jurisdiction,
 - (b) provides evidence satisfactory to the registration committee of the applicant's registration or licensure, or eligibility for registration or licensure, referred to in paragraph (a), and
 - (c) meets the requirements in subsection (1)(c)(i), (iv) and (v).
- (3) Despite subsection (1)(a), (b) and (c)(ii) and (iii), an applicant may be granted limited (education, research and volunteer) registration if the applicant
 - (a) holds a degree or equivalent qualification in dentistry from a post-secondary educational institution, and provides evidence satisfactory to the registration committee of the applicant's degree or qualification, and that the applicant is the person named in it,
 - (b) provides evidence satisfactory to the registration committee that the applicant has been engaged or appointed by the Faculty of Dentistry of the University of British Columbia, another post-secondary educational institution, or a dental or other group or organization approved by the registration committee, for a purpose described in subsection (1)(c)(iv), and
 - (c) meets the requirements in subsection (1)(c)(i), (iv) and (v).
- (4) Limited (education, research and volunteer) registration may be granted under subsection (1), (2) or (3) for a period not exceeding 1 year, and may be renewed by the registration committee for successive periods, each of which does not exceed 1 year, if the registrant continues to meet all applicable requirements.
- (5) A limited (education, research and volunteer) registrant
 - (a) may only practise dentistry for the purpose described in subsection (1)(c)(iv), and
 - (b) must not practise dentistry on a fee for service basis.

Bylaws of the College of Dental Surgeons of British Columbia

Limited (armed services or government) registration

- 6.13** (1) For the purposes of section 20(2) of the Act, the requirements for limited (armed services or government) registration are
- (a) valid and non-restricted registration or licensure as the equivalent of a full registrant in another Canadian jurisdiction, and
 - (b) receipt by the registrar of
 - (i) a completed application for limited (armed services or government) registration in Form 9,
 - (ii) evidence satisfactory to the registration committee of the applicant's registration or licensure referred to in paragraph (a), and that the applicant is the person named in it,
 - (iii) evidence satisfactory to the registration committee that the applicant is applying for limited (armed services or government) registration solely for the purpose of practising dentistry within the terms of the registrant's employment with or engagement by the Canadian armed services or the government of Canada, and
 - (iv) the items required under section 6.03(1).
- (2) A limited (armed services or government) registrant
- (a) may only practise dentistry for the purpose described in subsection (1)(b)(iii) and within the scope of the registrant's employment or engagement referred to in that subsection, and
 - (b) must immediately notify the registrar if the registrant ceases to be employed or engaged by the Canadian armed services or the government of Canada.
- (3) A limited (armed services or government) registrant ceases to be registered upon the termination of the registrant's employment or engagement by the Canadian armed services or the government of Canada.

Limited (post-graduate) registration

- 6.14** (1) For the purposes of section 20(2) of the Act, the requirements for limited (post-graduate) registration are
- (a) a degree or equivalent qualification in dentistry from a post-secondary educational institution, and
 - (b) receipt by the registrar of
 - (i) a completed application for limited (post-graduate) registration in Form 10,

Bylaws of the College of Dental Surgeons of British Columbia

- (ii) evidence satisfactory to the registration committee of the applicant's degree or qualification referred to in paragraph (a), and that the applicant is the person named in it,
 - (iii) evidence satisfactory to the registration committee that the applicant is applying for limited (post-graduate) registration solely for
 - (A) the purpose of taking or engaging in a course, clinical placement, research program, internship, or residency offered at the post-graduate level by or under the sponsorship of the Faculty of Dentistry of the University of British Columbia, or another post-secondary educational institution, hospital, or other institution approved by the registration committee, or
 - (B) a related purpose approved by the registration committee; and
 - (iv) the items required under section 6.03(1).
- (2) Limited (post-graduate) registration may be granted under subsection (1) for a period not exceeding 1 year, and may be renewed by the registration committee for successive periods, each of which does not exceed 1 year, if the registrant continues to meet all applicable requirements.
- (3) A limited (post-graduate) registrant
- (a) may only practise dentistry
 - (i) for a purpose described in subsection (1)(b)(iii), and
 - (ii) in accordance with any standards or requirements established by any educational institution, hospital, or other institution referred to in subsection (1)(b)(iii)(A) or where the registrant is practising, and
 - (b) may only perform a restricted activity if the registrant is authorized by an educational institution, hospital, or other institution approved by the registration committee to provide services of dentistry that include the performance of the restricted activity.

Limited (student practitioner) registration

- 6.15** (1) For the purposes of section 20(2) of the Act, the requirements for limited (student practitioner) registration are
- (a) enrolment as a student in the undergraduate program of the Faculty of Dentistry at the University of British Columbia, or another post-secondary educational institution approved by the registration committee,
 - (b) successful completion of, or credit received for, the first three years of the undergraduate program of the Faculty of Dentistry at the University of

Bylaws of the College of Dental Surgeons of British Columbia

- British Columbia, or the equivalent portion of the program of another post-secondary educational institution referred to in paragraph (a),
