Registration Requirements

For study club sessions that involve any clinical work (i.e., treatment on patients), each dentist *who performs treatment* must hold either **Full** Registration (for B.C. dentists) or **Temporary** Registration (for outside B.C. dentists) with CDSBC *before* participating in any clinical sessions.

To apply for Temporary Registration, dentists from outside B.C. must complete the [Temporary Registration Application Package](#) and should allow 2-3 weeks for processing.

Individuals who are only observing treatment are excluded from this requirement.

Continuing Education (CE) Credit Submission

CDSBC-registered study club sessions are not automatically eligible for CE credits. A session must meet the College's [Continuing Education Requirements](#) to be eligible. If you are unsure if a session meets the requirements, please submit a detailed course outline with your CE submission form to CE@cdsbc.org.

Note: CDSBC does not endorse or accredit any study club.

CDSBC has provided a list of study clubs as a courtesy to registrants. Please indicate below if you would like your study club listed.
