

COMPLAINT FORM

The College of Dental Surgeons of BC (CDSBC) receives and investigates complaints about the conduct and competence of its registrants. "Registrants" include dentists, dental therapists and certified dental assistants (CDAs) in British Columbia.

Before you submit a complaint form, please note there are certain complaints (or parts of complaints) that CDSBC cannot address.

CDSBC is **not** able to:

- pay money to a complainant
- order a registrant to give a refund or pay any amount of money to a patient or another registrant, i.e., become involved in a fee dispute or award damages
- order a dentist to provide a certain treatment to a patient
- provide dental advice or dental treatment, or refer patients to a new dentist
- give legal advice or help in a lawsuit against a registrant*
- address business disputes between registrants

**If you think a dentist, dental therapist or CDA has harmed you and you are seeking compensation, CDSBC recommends speaking with a lawyer. Such claims are resolved through the legal process, not CDSBC's complaint process.*
