Board Update

CDSBC takes this opportunity to announce the departure of Ms. Heather MacKay from her position as Registrar, effective November 22, 2011. We thank Heather for her six years of dedicated and valuable service to CDSBC, and for the many contributions and initiatives she brought to the organization during that time. We wish her well in her future endeavours.

Ms. Carmel Wiseman, Director of Professional Regulation, has agreed to lead the organization as Acting Registrar until a new Registrar has been recruited. We are fortunate to have someone of Ms. Wiseman's calibre and experience lead the organization until a new Registrar is identified.

CE Cycle Date Reminder

As of today there are over 700 dentists and CDAs who have yet to fulfill their CE cycle which ends on December 31, 2011.

To review your CE transcript and confirm you have met this requirement for annual renewal or to download CE submission forms, please visit www.cdsbc.org/quality_assurance_c.

Criminal Record Check from A to U

All current and new registrants of professional regulatory bodies are required to undergo a criminal record check every five years by the B.C. Government.

Dentists and CDAs whose last names begin with the letters A to U **and who have not undergone a criminal record check for CDSBC in the past four years are due.** These dentists and CDAs would have received an information package in September and a reminder memo in the past week. The Consent to a Criminal record Check forms are also available online at www.cdsbc.org/criminal_record_check/.

Call for Nominations

Outstanding contributions deserve to be recognized. If you know someone who has made a contribution to the practice, the profession and/or the College, submit a nomination for a 2012 CDSBC Award today. Visit www.cdsbc.org/awardsprogram/ for details and a nomination form. Deadline is December 19.
