

CDSBC Committee Report to Board For Public Agenda

Committee Name	Registration Committee
Submitted by	Dr. Alexander Hird (Chair)
Submitted on	14 June 2019
Meeting Frequency	2 April 2019
Matters Under Consideration	A lawyer representing a registrant wanting to return to full practice, after a number of years away from practice, has submitted a letter which pertains to a breach in the Human Rights Code in the application of the College's continuous practice requirements. This registrant had submitted a proposal for a path to return to practice to the Registration in 2016 and again in 2018 both being denied as they were not seen, by the Registration Committee, to accomplish substantial equivalency to the quality assurance program.
Statistics/Report	One request for reinstatement for Full Registration. Application was accepted pending receipt of letter of standing from another regulatory body, and a decision was not made on the application. A written hearing will be conducted for this application.
Future Trends	
Progress and Timeline to Completion	Review of application questionnaire: pending.
