

new website HIGHLIGHTS

The College of Dental Surgeons of BC is pleased to present the new and improved **www.cdsbc.org**.

The new site offers improved access from all devices and is accessible from tablets and smartphones. It also includes new features – such as the CDSBC Library and updated Registrant Lookup – that will improve access to important CDSBC publications and information.

See inside for an introduction to the key features of the new cdsbc.org.

Updates and news are separated by topic: News, Public Protection (complaints and discipline), Practice Resources and Events.

Registrant Lookup

The Registrant Lookup replaces the Directory of Dentists. You can now look up any CDSBC registrant – dentist, dental therapist or CDA. Information about dentists has also been expanded.

[Back to search results](#) [Start new search](#)

Summary	Location & Contact	Additional Details
---------	--------------------	--------------------

Dentist Information

Full name:

Preferred name:

Registration category: General Practitioner (View all registration categories)

Gender: Male

Additional Languages: Cantonese

General Dental Degree

Degree: DDS

Institution: University of Alberta

Graduation date: 1990

Date of initial registration as a General Dentist: 1991

Limits or Conditions

Limits or conditions on a registrant's practice can arise in a number of ways. [?](#)

None

Discipline History

If a registrant has a discipline history since April 2009, it will be published here. To confirm whether there is a discipline history prior to that date, email complaints@cdsbc.org. [?](#)

None

Dentist information now includes:

- Additional languages spoken
- Enhanced education details
- Maps of practice location(s) (under "Location & Contact")
- Sedation qualifications (under "Additional Details")
- Any limits or conditions on practice
- Discipline history

NEW: Access the Registrant Lookup from any page of the site using the menu in the header

NAVIGATION

Three levels of menus (shown below) guide you through the site's content. In addition, you can move through the site using the search bar, "breadcrumb" and footer.

Or, you can simply use the search bar in the header to help you find what you need.

! Note: links from the old website may now be broken.
Type key words into the search bar to find what you need.

Search the website at any time

Registrant login available on every page

The screenshot shows the CDSBC website interface with several callouts:

- 1. Top Menu:** Points to the main navigation bar containing links for HOME, ABOUT CDSBC, PUBLIC PROTECTION, REGISTRATION & RENEWAL, QUALITY ASSURANCE, and PRACTICE RESOURCES.
- 2. Sub-menu:** Points to a secondary navigation bar with links for CDSBC Library, Professional Practice, CDSBC Courses, Newsletters, Consultations, Practitioner Wellness, Dentist Manual, and Critical Incident Report.
- 3. Right-hand menu links to related information:** Points to an "IN THIS SECTION" sidebar on the "Professional Practice" page, listing links for Standards and Guidelines, Clinical Practice Guideline for Oral Cancer, Dental Recordkeeping Guidelines, Infection Prevention and Control Guidelines, and Obstructive Sleep Apnea Guidelines.

The main content area shows the "Professional Practice" page with a breadcrumb trail: Home > Practice Resources > Professional Practice. A search bar is visible in the top right corner with a magnifying glass icon.

The "breadcrumb" shows you where you are in the site

3. Right-hand menu links to related information

Footer: scroll to the bottom of any page for clickable links
